

```
1  #include<stdio.h>
2  int main ()
3  {
4      int n, i, sum=0;
5      printf("sum of natural numbers");
6      scanf("%d, n ");
7      for (i=1; i<=n; i++)5;
8      sum =sum+1;
9      printf("sum of natural number,%d= n,
10     sum");
11     return 0;
12 }
```
