

```
1  #include<stdio.h>
2  int main ()
3  {
4      int i, n, sum = 0;
5      printf("enter the all natural number");
6      scanf("%d", &n);
7      for (i=1; i<=n; i++)
8      {
9          sum = sum + i ;
10     }
11     printf("sum of natural number =%d", &n);
12     return 0;
13 }
```
